C. Kaetterer (Switzerland)	W. Oder (Austria)
G. Kwakkel (Netherlands)	S. Paolucci (Italy)
T. Mokrusch (Germany)	D. Playford (Great Britain)

Programme Information

The scientific programme will highlight the diverse and dynamic field of neurorehabilitation by the different innovations for the benefit of all patients. It will provide transnational and interdisciplinary opportunities to learn from one another and include those findings into daily work practices. By including traditional programme elements of the DGNR-congresses, the ECNR 2021 will offer a wide variety of programme elements for all interested specialists.

Industrial Participation

The conference will host an exhibition, which will bring together manufacturers and suppliers in the field of neurorehabilitation. Latest developments and new applications will be highlighted during industrial symposia. Interested companies please contact Conventus.
